RENEWED PETITION UNDER

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

In response to a Decision dismissing a petition to revive the hereinabove referenced non-provisional application, the Applicant requests reconsideration.

Specifically, the Applicants state that the entire delay in filing the notification of foreign filing within forty-five (45) days subsequent to the filing of the subject application in a foreign country was unintentional.

The subject application was filed in the European Patent Office on December 19, 2002, and the notice to rescind a non-publication request was mailed on February 7, 2003, fifty (50) days subsequent to the foreign filing.

Enclosed herein is a copy of the subject Decision on Petition under 37 CFR 1.137(b).

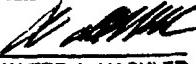

Reconsideration is respectfully requested.

Respectfully submitted,
